UHRC Partners,

The UHRC is notifying all stakeholders that extreme heat is expected throughout the Los Angeles region this weekend. LA County Public Health has issued a heat advisory for the San Fernando Valley.

In response, EMD is activating emergency cooling centers in select Valley locations this Sunday from 11:00am - 8:00pm at the following facilities:

- **Canoga Senior Citizen Center** ([7326 Jordan Ave., Canoga Park, CA 91303](#))
- **East Valley Sherman Oaks Adult Center** ([5056 Van Nuys Blvd. Sherman Oaks, CA 91403](#))
- **Sunland Park Senior Center** ([8640 Fenwick St., Sunland, CA 91040](#))
- **Wilkinson Senior Center** ([8956 Vanalden Ave., Northridge, CA 91324](#))

In addition, **the Los Angeles Homeless Services Authority will have a duty officer on call over the weekend to coordinate any requests for outreach support.** Please ensure that all field staff operating this weekend are directed to call the following duty officer numbers in case an individual experiencing homelessness needs support: 213-431-5388 or 213-910-3890.

Departments in need of coordination support for individuals experiencing homelessness during this heat emergency can contact the UHRC through the weekend at 213-448-3169.

We appreciate your vigilance this weekend to ensure that our homeless neighbors receive appropriate care and support.

Thank you,
